Slides

Requirements:

Format— Your Choice: hand-drawn on paper, as a banner, or digitally, using any slide or presentation program that you are comfortable with.

Include: * in correct order, **all 14 of the above people/eras/styles in your timeline**

- * dates/date ranges for all
- * **at least 1 picture for each of the 14 categories**
- * **2-3 stained glass facts about each, in your own words, in sentence format** Such as:
 - What glass or construction techniques are being used?
 - Is there a certain subject matter or theme to the style of stained glass?
 - Is there a country where the style originated? Where was the style most common?
 - What political activities are going on at this time that have affected the making of stained glass?
 - If it's a person, what did they contribute to stained glass history?
- * **Cite all sources on an end slide, or on a separate sheet of paper.**

You will be graded on:

Does each fact pertain to stained glass history? Is it in your own words and not copied/pasted from the source?

Accuracy: do you have dates in the right order? Check a variety of sources to be sure.

Neatness and effort: does your timeline look as if you put in solid effort?

Double-check spelling and word capitalization

Do you have a visual representation of all 14?

Do you also give 2-3 stained glass facts for each of the 14?

DUE DATE: Last Wednesday of the trimester by 2:55pm. NO EXCEPTIONS— do not wait until the last minute.

Either share/email it to me at aberzins@mccsc.edu or print out and turn it in. Include your name in subject line.
